

## Slime King

### Quest Start:

Person: Ebbavi

Location: The Meadows (southern)

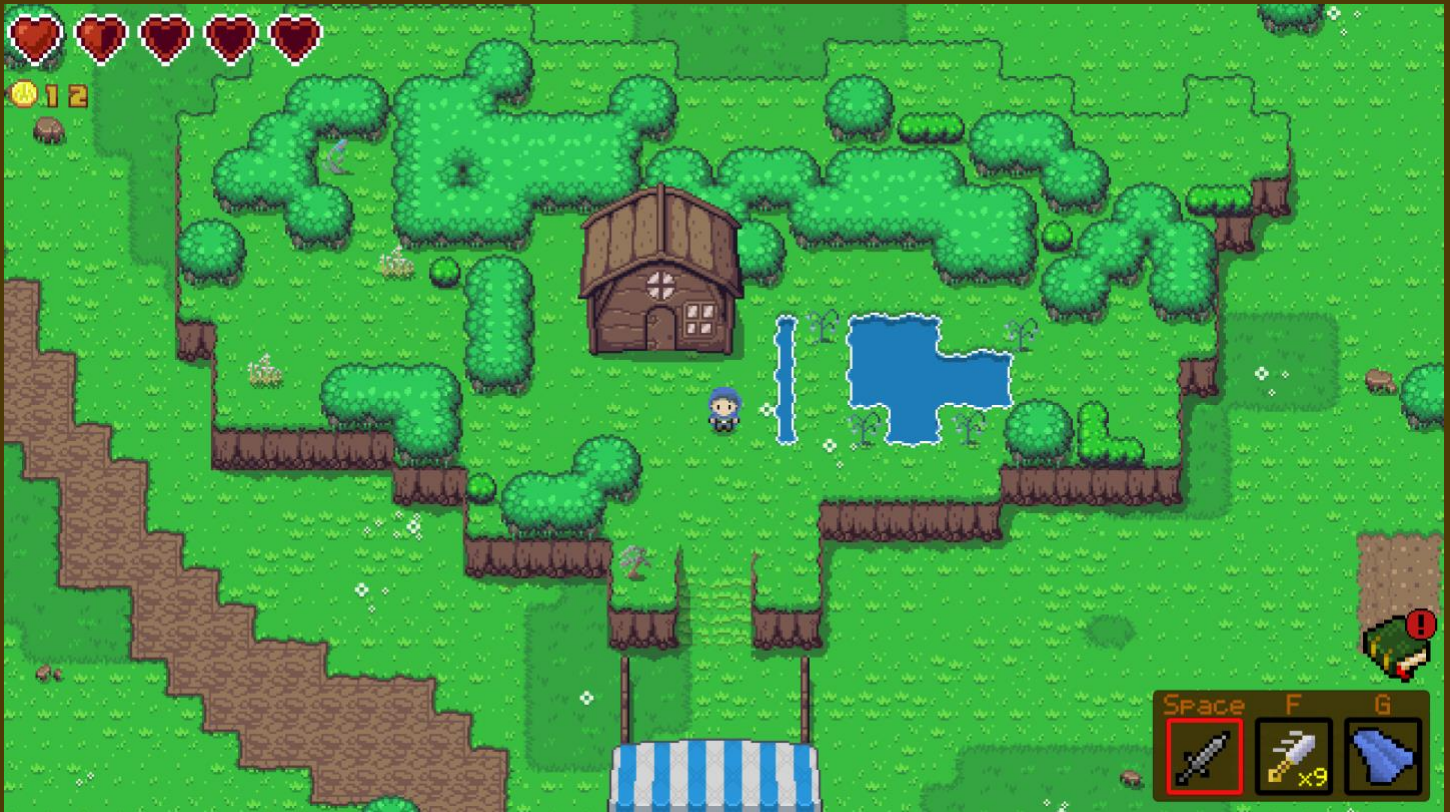

You can start the quest by talking to Ebbavi in The Meadows and asking how to get access to her plants. She will inform you that the Slime King attacks her and she wants you to kill it.

The Slime King is located at the broken Slime Farm, which is to the south-east of Ebbavi.

Good luck killing the Slime King!

After you kill the Slime King, go back to Ebbavi and tell her to finish the quest.
